Subject:- Grant of special allowance to P.W.D.Subordinates on survey & construction works.

Reference: Govt.Letter P.W.D.No.ALS 1352 F. dated 6-11-1952.

2. Since the 3 Overseers in whose favour the special allowance is now recommended, have worked during the period from March 1952 to May 1952, their names could not be proposed in March 1952. It may be stated that the period of survey work done by the subordinates is required to be verified from the weekly diaries submitted by them before proposing for the actual period spent by them on survey work. The statement under reference was received in this office in the last week of September 1952 from the Executive Engineer, Irrigation Projects Dn(South), Dharwar.

3. The statement may, therefore, kindly be sanctioned at an early date.

No. G.R.69.

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 22-12-1951.

To

The Chief Engineer to Government,
Public Works Department,
Bombay.

Subject:- Project allowance.

Reference: Government endorsement P.W.D. No.ALS 1351-F, dated 14-9-1951 and Government letter P.W.D. No.ALS-1351-F, dated 24-11-1951.

2. A statement showing the requisite information in so far as the Ghataprabha Left Bank Canal Division is concerned, is submitted herewith.

3. The construction allowance to be granted, may be fixed at 30% of pay to those officers who are not provided with rent-free quarters and at 20% of pay to those provided with rent-free quarters. The construction allowance now proposed to be granted to the gazetted officers is mainly intended for the peculiar type of work entrusted to them and the inconvenience they are put to on account of their Headquarters being on work-sites in out-of-the-way-places. It is, therefore, desirable that it should be extended to all gazetted officers at the percentages mentioned above subject to the following limits:-

Executive Engineer..... Rs. 125/-
Deputy Engineer ..... Rs. 100/-.

The proposals for providing rent-free accommodation to the gazetted officers have already been submitted under this office No.G-91, dated 12-5-1951.

4. Similarly it is suggested that the project allowance may be extended to the Superintending Engineer also where such a post is exclusively intended for a big project and his Headquarters are located at the site of work, as he also would be put to similar inconveniences and would be required to devote most of his time to the project only. In the case of Superintending Engineer, the rate of allowance may be limited to Rs. 150/- per month.

2. The question of sanctioning project allowance to the gazetted staff at the rate of 20% of pay, subject to following limits , is under the consideration of Government.

Executive Engineers.....	Rs. 120/-
Deputy Engineers	Rs. 100/-

It is proposed to grant the allowance to only those officers whose head quarters are stationed at or near the construction works. You are, therefore, requested to, report the figures of annual expenditure involved in case the proposal is finally approved by Government.

3. The special allowance equal to 20% of the basic pay with a minimum of Rs. 30/- per mensem has been granted to the subordinates working on the actual survey and construction of certain major projects vide Government Resolution No 482/48, dated the 15th April 1950, You

are also requested to report the figures of additional annual expenditure if the allowance is made admissible to the non gazetted staff also.

Extract from the minutes of the S.E's conference

Item 20 - Granting project allowance to gazetted officers:

Wherever project or construction works entail strenuous work, project allowance should be paid even to gazetted staff. The Chief Engineer would be the proper judge to decide as to which project or construction comes under this classification. Government should agree to the above in principle and empower the Chief Engineer accordingly.
